

1st Co. Snowmobile Fatality

The first snowmobile fatality of this winter has occurred in Grayling Township.

Mrs. Marguerite R. Marsh, 61, of 115 Lockwood Street in Saginaw was pronounced dead at the scene of the crash on Saturday at 2:30 p.m.

There were no witnesses to the accident which happened on Sunrise Road just off of M-72 East. The victim apparently came around a corner and lost control of her machine, which hit a tree. She sustained head injuries, although Crawford County police officials say she was wearing a helmet.

The victim was the wife of L. E. Marsh and was snowmobiling with a group of relatives and friends which had come north to stay at Jellystone Campground and spend the weekend riding their machines.

A police spokesman said this is the first fatal accident of the winter season involving snow machines. The last fatality was in January of 1976.

Child Abuse Seminar at KCC

Kirtland Community College will conduct a seminar on Child Abuse on Thursday, January 27, 7:00 p.m. to 10:00 p.m., in the Kirtland Community College Auditorium.

This seminar is designed to alert people to the many problems of the social worker as it applies to child abuse cases, and will help to identify the abused child.

Frank Wilson, Department of Social Services Supervisor for Protective Services, Cadillac, and Daniel Fox, Michigan State Police Community Services Officer, Houghton Lake, will be guest speakers.

There will be no charge for those in attendance. For further information, contact Mrs. Susan Kusnier, Instructor of Child Care and Coordinator of the seminar, or Mr. Vahan Kapanian, Kirtland Law Enforcement Coordinator, at (517) 275-5121, Monday through Friday, 9:00 a.m. to 5:00 p.m.

Plan Kickoff Breakfast For White Pine Stampede

A kickoff breakfast for the White Pine Stampede, sponsored by the Grayling Regional Chamber of Commerce will be held at Grayling's Holiday Inn at 7:30 a.m. sharp, Saturday morning, February 5th.

The White Pine Stampede, the longest cross country ski race in Michigan will start in Frederic at Twin Peaks at 10:00 a.m. that morning.

Representatives from the communities of Frederic, Grayling, Gaylord and Mancelona will be invited to attend. State Representative Ralph Ostling is expected as well as other state officials including Governor Milliken's personal representative, Senator Robert Davis.

Invitations have gone out to state and area newspapers, television and radio stations, the Eastern Michigan Tourist Association, West Michigan Tourist Association, Michigan Travel Commission and race officials.

Anyone else wishing to attend this kickoff for the 50 kilometer (35 miles) race please call the Grayling Chamber of Commerce for reservations, race entry forms or more information. Space will be limited for the breakfast, so call as soon as possible. The Chamber phone number is 348-3336.

Kirtland College to Offer Second P.A.C.E. Test

A second P.A.C.E. Test, for the Fall 1977 class of Practical Nursing, will be given at Kirtland Community College on Saturday, February 5, at 9:00 a.m., in the College Auditorium.

The P.A.C.E. Test is a "Pre-Admission and Classification Examination" given by many practical nursing schools throughout the nation and is a service of the National League for Nursing. The cost is \$6.00, payable at the door. The test takes approximately 4 hours to complete and covers arithmetic, science, health and general information, reading, and vocabulary skills. Anyone who is interested may take the P.A.C.E. Test, however, Kirtland's Practical Nursing Program requires that applicants have a high school diploma or G.E.D. equivalent.

Applicants for the Fall class of Practical Nursing should first contact the Admissions Office at Kirtland for an application and reference forms. It is also necessary to have personal references and high school and college (if any) transcripts on file.

Tests are scored in New York and scores are returned to the school in 4-6 weeks. Applicants will be notified by mail of their results and interviews will be scheduled for individuals who have successfully passed the test.

Each class is limited to 34 students. Selection of the best qualified applicants is done by an Admissions Committee, and is based on the application, transcripts, references, P.A.C.E. Test results, and interview record. A final requirement is a successfully completed physical examination. Contact the Admissions Office for further information at (517) 275-5121.

Kirtland College to Host Interlochen Brass and Percussion Ensembles

Kirtland Community College will host the Interlochen Arts Academy Brass and Percussion Ensembles on Wednesday, January 26, at 8:00 p.m., in the College Auditorium.

The brass and percussion ensembles include high school musicians from as far away as Japan. They are touring eastern Michigan as part of the "Interlochen Outreach" project supported by the Michigan Council for the Arts.

The 19 member brass ensemble, conducted by Academy instructor John Lindenau, consists of trumpets, French horns, trombones, euphonium, tuba, and tympani.

The 10-player percussion ensemble, directed by Jerry Hartweg, plays a repertoire ranging from Bach to contemporary jazz.

The concert is open to the public and free of charge. Interlochen Arts Academy, located near Traverse City, is the country's only boarding school to offer college preparatory academics as well as intensive training in music, dance, theatre, creative writing, and art.

Nurses to Meet

The North Central District Nurses Association will meet Monday, January 24th, in the basement of the County Building in Grayling. A potluck supper will be held at 6:30 with a business meeting to follow.

INVITATION TO INAUGURATION—Roy Papenfus. Crawford County Zoning and Building Inspector is shown above with his invitation he received to attend the inauguration of President Jimmy Carter and Vice President Walter Mondale on Thursday, January 20th. Mr. Papenfus also received a special invitation, one of only 50,000 sent, that read in part, "We sincerely hope that you will be able to come to Washington and participate in the Inauguration of Jimmy Carter and Walter Mondale. You are entitled to view and take part in the two major Inauguration events: The Inaugural Ceremony, which will take place at 11:30 a.m., and the Inaugural Parade on Pennsylvania Ave., which follows at 1:30 p.m." "Being a Baptist, as President Carter is, I wrote him prior to the Primary Election," Mr. Papenfus said, "and asked about his feelings on our religion." "That must have been the reason I got on the mailing list," he added.

True Life Adventure

Australia Next in Series

On Thursday evening, January 27 the Crawford AuSable Community School Program will present the next exciting full color, true life adventure of their Fourth Annual Travel and Adventure Series. On that evening, travelogue viewers will treat themselves to an exciting trip "down under" to that fascinating continent of "Australia". Appearing live and in person at Grayling's Joseph Stripe Auditorium will be to narrate the Australian Adventure, will be noted photographers Trevor and Anne Dornbush.

Trevor and Anne Dornbush are well suited to show the marvels and wonders of Australia as both were born in New Zealand and both spent many years in Australia as motel and restaurant operators. As they guide you through this colorful land and show you its people, you will look at a country that is on the move. From beautiful Sidney Opera House, like modern concrete sails in Sydney Harbor, to the pounding of the surf on Bondi Beach, this travelogue captures the rapid pulse of Australia and its vibrant people.

Australia is comparable in size to the United States. Since it is an island continent its hundreds of miles of gleaming beaches seem created exclusively for sunning, swimming and dune buggy riding. As you visit Australia you will meet the charming kangaroo and Koala bear while marvelous sights like Ayres Rock, the Great Barrier Reef and a sojourn into the Australian "outback" sweep the giant screen with dramatic color.

Doors to the Joseph Stripe Auditorium will open at 7:15 and the travelogue will begin at 8:00 p.m. Both single admission tickets and the money saving six admission passes will be available at the door. The Joseph Stripe Auditorium is located in the new Grayling High School.

M.S. Read-A-Thon School Assemblies Completed Here

Volunteers of the Northern Michigan Branch Chapter of the National Multiple Sclerosis Society have just completed familiarization assemblies for the upcoming Read-A-Thon in the Grayling schools.

The Read-A-Thon is being held to raise funds for Multiple Sclerosis patients in the surrounding 22 county wide area.

All funds raised will be used in Multiple Sclerosis research or to purchase wheelchairs and other aids for local M.S. Patients. There are approximately 320 M.S. sufferers in this area. Multiple Sclerosis is a disease of the Central Nervous System that normally strikes people between the ages of 20 to 40 and is commonly called the "crippler of young adults."

Students in grades 1 thru 8 will be reading books between January 28 and March 1 to raise funds pledged by sponsors. More information can be obtained from Pat Wiseman, 348-7572 after 5:30 p.m.

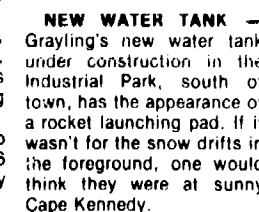

Extension Group To Sponsor Special Program

On Thursday, January 27, 1977, the Extenders Extension Group of Roscommon will sponsor a special program.

Lieutenant Rudy from the Crawford County Sheriff's Department will speak and show slides on "How to Prevent Burglaries" at your home or business and present a program on "Drugs in Your Community".

You and your neighbor are invited to attend this program to become better informed on the problems of crime and what you as a citizen can do to reduce crime.

This program will be held at the South Branch Township Hall on M-18, five miles east of Roscommon, on January 27th at 7:30 p.m.

Grayling's new water tank under construction in the Industrial Park, south of town, has the appearance of a rocket launching pad. If it wasn't for the snow drifts in the foreground, one would think they were at sunny Cape Kennedy.

Bear Mountain Settlement Near?

By Rod Donley

The Fred Bear Museum at Bear Mountain is once again opened for business and hopes to keep operating throughout the winter.

It is but one of four operations which have operated in the past at the Rasmus Hanson Recreation Area. The concessions now have renegotiated operating leases for the future.

The state has reached a tentative agreement in the lengthy controversy over the area. Bear Archery official Robert Kelly said Monday, the company is very happy about the new lease arrangement and said the company feels it is a fine resumption of all the past problems.

Mr. Kelly went on to say that the museum was opened January 15th and said the company will try to keep it open as long as the customers were not harassed. He said customers had been intimidated to the point where the company was forced to close their operations. "We will try to keep it open as long as possible unless the pickets force us to shut it down again. The company spokesman blamed UAW strikers for forcing the closing of the museum since the middle of the summer of 1976.

The state military board has approved leases and sub-leases for the continued operation of the area. Their

actions recognize the Grayling Recreation Authority as the operations agent and approves proposed sub-leases for the museum, Little Smokey Railroad and Pine Knoll Inc., which operates a trailer park. The agreements worked out now go to the Economic Development Administration and the State Attorney General's office for their O.K. The military board has written in more restrictions on the lease and sub-leases to avert problems created in past years with profit and non-profit organizations.

Nelson A. Miles, speaking for the authority said he was very pleased with the new arrangements. "I feel it brings back to the community and to this area the ski facility which we almost lost," he said. "This has cleared up all the past controversy and put it (the recreation area) on a perfectly responsible and legal basis for the satisfaction of everyone."

Miles explained that under the new leases the ski equipment including the tows and all apparatus except the buildings at the ski site are now the property of the local authority. He said this was an absolute gift from the Economic Development Administration of the Department of Commerce. Miles said they waived their lien on the equipment and donated it to the

authority.

The local authority is represented by the City of Grayling, the Township of Grayling and the Crawford - AuSable School District. These compromise the authority board which has a lease on 286 acres of the recreation area. The authority in turn grants leases to the different concessions in the area.

More than 1,000 acres was originally donated to the state by Rasmus Hanson in 1913 for use as a recreation area. The remaining 600 acres not used now for recreation will revert to the State Department of Military Affairs for use as a training ground for the National Guard and other military units.

Miles said the Pine Knoll Trailer Park, which is located on the site will have to remove about 30 permanent trailers from their location during the next four years to meet the terms of their lease which will not be renewable after it expires in 12 years. Operators for the campground were not available for comment on the lease negotiations.

Al Barkley, operator of the Little Smokey Railroad, said he hopes the new lease arrangement goes through but declined to comment further until he saw something officially in writing.

Travel to Charlevoix Friday Blue Devils Burn Vikings, 71-51

By Jeff Schrader

CCA Sports Writer

The Viking Varsity basketball squad led by two points,

30-28 after the first half but it was all Graylord in the 3rd and 4th quarters as the Blue Devils coasted to a 71-51 conference win in an away game for Grayling last Friday night. In the first game, the Vikes JV's were also dumped, 78-60.

The Vikings will be on the road this Friday night when they travel to Charlevoix to

take on the Rayders in a Michigan - Huron Shores Conference contest.

Next Tuesday night, January 25, the Vikes will entertain the Bucks of Roscommon in a non-league fray.

"We played an excellent defensive first half," commented Coach Wolcott after the game. "We made a number of key steals and really should have scored more points." Wolcott also said that "because the team got into serious foul trouble the second half, Graylord was able to overtake us and pull away to the 20-point victory."

Leading the Blue Devil scoring attack were Ed Harmon and Scott Rich who both hit double figures with 16 points apiece.

For the Vikes, Al Johnston led with 9 points, followed by Papendick and Roach with 8, McClain 7, Bitner 6, Olsen and Erickson, 4 each, Kaiser 3 and Money 2.

In the JV contest, the Vikes were never really in the game despite a 25 point scoring outburst in the 4th quarter. Failure on the part of the team to produce points in the first 3 quarters allowed Graylord to build up a comfortable margin which Grayling was unable to overcome.

Doug Hall poured in 18 points for Graylord followed by John Parol who also hit double digits with 12.

Dan Niederer led Grayling's offense with 17 points while Johnston hit for 13, Tobin 8, McEvers, Olsen and Dunkley with 6 apiece and Kibbe and McClelland both with 2.

In other league games Friday, Charlevoix took over sole possession of 1st place with a 95-64 win over Cheboygan while Petoskey was dumping Boyne City out of the tie with a 46-43 squeaker. St. Ignace took the measure of Rogers City, 70-52.

In Freshman action last week, the Vikes pounded Johannesburg - Lewiston, 73-30. The team was scheduled to play [See Basketball on page 2]

Student Survey

1976 Follow-up Survey

The Grayling High School is conducting a survey of 1976 secondary graduates. The purpose of the survey is to find out what their graduates are doing and how well they feel school programs have served their needs.

The information obtained from the survey will be used in planning better school programs. Survey forms were mailed out to graduates by January 17th. We are asking all graduates who receive a follow-up survey to complete it as soon as possible and return the completed form to their local high school.

Booster Club Fish Fry Friday

On Friday, January 21, the Grayling Booster Club will sponsor a Fish Fry at Auman's House of Catering from 4:30 to 8:00 p.m. Fresh Lake Superior fish will be served and a salad bar will also be featured. Admission for adults is \$3.00 and for children from 6 to 12 years, \$1.50.

Mrs. Souders Retires From Co. Library

Dr. Paul Dosch, Chairman of the Crawford County Library Board, announced the retirement of Mrs. Doris Souders as head librarian effective as of last November 30th. Mrs. Souders had been employed by the library for the past twenty five years.

Also retiring on the same date was Mrs. Grace Wedge. Mrs. Wedge's position was assistant librarian and bookkeeper and had been with the library for thirteen years.

Dr. Dosch also stated that Mrs. Rose Duley would be the new head librarian while Mrs. Mae Niederer would fill the vacancy of assistant librarian and bookkeeper.

A retirement dinner was held at the Holiday Inn January 8th honoring the two retirees. Their husbands, board members and spouses and library employees attended as well as the Souders daughter, son in law and grand daughter, Shirley, Bob and Susan Knutilla of Williamsburg. Mrs. Souders and Mrs. Wedge were presented with a gift along with the best wishes for a happy and healthy retirement.

Mr. and Mrs. Roy Wedge will be spending the next three months in Florida while Mr. and Mrs. Harry Souders plan to leave for Alabama in early February.

New Books At Library

The following books have been donated to the Crawford County Library by the Rolland Kontak family in memory of Mrs. Karl Korb: "The Love of Birds" by John Burdon, "The Complete Book of Mushrooms" by Augusto Rinaldi, "The Romance of the Fungus World" by R.T. Rolfe, "How to Attract, House and Feed Birds" by Walter Schutz, "The World's Shells" by S. Peter Dance, "Reptiles and Amphibians" by Time-Life, and "The World Encyclopedia of Animals" by Maurice Burton.

Leo and Phyllis Miller presented the library with a year subscription to National Geographic magazine. Colonel Hardin C. Sweeney donated "Blind Ambition" by John Dean.

Warning

Inactive Duty Training will be conducted by units of the Air National Guard during the period 18 thru 22 and 25 thru 29 Jan 77.

The Air to Ground Range - located on the Artillery Range, which is north of County Road 612 and east of Guthrie Lake, will be utilized during this period.

This range will be closed during the above dates and all persons are warned to stay out of this area.

Rotarians Bid Farewell to Exchange Student

The Grayling Rotary Club will soon be saying good-bye to Miss Joan Boundy, our exchange student from Australia. She is scheduled to go back "down under" later this month, after having spent most of the past year in Grayling. As souvenirs of her stay in this part of the world, Joan was presented with two symbols of the Grayling area.

Mr. Bob Kelly, executive vice-president of Bear Archery, is shown above presenting Joan with a Bear bow. Incidentally, the world championships in archery will be held

this February in Australia. On behalf of the local canoe livery association, Joe Wakeley presented Joan with a hand-made birch canoe paddle. This was made by Jack Trudgeon, and will remind Joan of the time she spent in the canoeing capital of the world.

The foreign exchange student program has been a project of the local Rotary Club for several years. It has been a distinct pleasure to have Joan Boundy here with us, and the Rotarians all join in wishing her a good return trip home.

ated to play Thursday night here at home against Gaylord but inclement weather resulted in a postponement. It has been rescheduled for February 14th. In Monday's victory, scorers for Grayling included Bendig with 12 points, Shepard 11, Calkins 10, Schrader 9, Walsh and Kitch with 8, Chrisman 6, Hersey 5, and Luckslead and Whaley, both with 2.

In Middle School action, both the 7th and 8th grade teams split two contests apiece during the week. On Monday night, Gaylord was in town and the Blue Devil 7th grade team beat the Vikes 34-30 while the Vike 8th grade team pulled out a squeaker against Gaylord, 31-29. On Saturday, the teams traveled to Benzie Central and the 7th grade team came home victorious, 31-20 but the 8th graders came out on the short end of a 35-24 score.

**Legion
Auxiliary**

The regular meeting of the American Legion Auxiliary, Grayling Unit #106 was held at the Legion Hall on January 12, with President Marie Daly presiding.

The Unit Charter was draped in memory of our deceased member, Hattie Worden, who had been a member of Unit #106 for nearly 30 years.

Prayer was offered by Chaplain, Violet Kehr, on behalf of all members. Hattie is sadly missed.

Plans were finalized to again sponsor a girl at Girl's State which will be held on Campus of Olivet College in June. The young lady will be selected from the Junior class of the Grayling High School. Girl's State chairman this year is Lillian Kitchen. Future projects included discussion of our annual Poppy Days program.

Chairman, Donna Bielski, announced the bright red memorial flower will be offered to the public in May.

To our two hospitalized members, Else Anderson and Johanna Gorman, we all wish you both a speedy and complete recovery.

Our next regular meeting will be held February 9, 1977 at 8:00 p.m. at the Legion Hall. Hope to see a good turn-out.

GRAYLING, MICHIGAN — THURSDAY, JANUARY 20, 1977

From Our
Corner...

For the last half hour we have been asking ourselves ... what in the world can we fill our corner with when we're sure everyone is thinking the same thing — winter, by the calendar has hardly begun — and we don't mind saying so, we have had it up to our ... (you may fill in your own thoughts).

As we think about it, growing up in the area, we remember cold winters when the thermometer told us it was 10 below zero, but, we didn't have someone telling us it was 60 below, wind chill ... no wonder we find ourselves thinking of our departed summer residents, and really concerned how their golf game is.

Following our publishing the picture of the water tank, mit ice, we were told by a young whipper-snapper, I should remember where the old tank stood, as he related as a younger whipper-snapper in the early fifties, he and his cronies used to climb it and tried to shake it down.

After listening to his tale, we remarked we were happy to be an older whipper-snapper, and evidently didn't care to climb water towers after arriving here in 1946 following WWII.

With that taken care of ... we are happy to pass on the information from one of Grayling's real natives, Carl Doroh. Carl related the water tank stood just about to the left as you approach the county building, and the train round house was about where the parking lot is now.

So there, our corner is filled, even though with trivia, we can go home now with a clear conscience ... we won't have to listen to our critics saying all we write about is T.J.

Have a nice week ... may all of your igloos stay warm.

The Bible Speaks
From Calvary Baptist ChurchSpirit Control -
Teaches Witnessing

In the immediate context of the promise of the power of the Holy Spirit to the disciples was the purpose for which it was given. "But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth." Acts 1:8.

The Holy Spirit teaches us the Word of God that He might teach others the same Word through us. I Corinthians 2:12-13. The Spirit not only teaches us God's Word, but He brings it back to our memory just when we need it, John 14:26. He enables us to speak the Word of God with boldness regardless of the circumstances. "And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spake the word of God with boldness." Acts 4:31.

The great apostle Peter gives us a good example of how to witness under the power of the Holy Spirit. Before the crucifixion of Jesus Christ, Peter denied Him three times. After the power of the Holy Spirit came upon him Peter spoke with boldness to the same crowd the gospel of Jesus

Christ, Acts 4:13. Peter remained faithful to the Word of God even when men tried to make him change his message. Acts 5:29. Even beating could not change his message as the apostles spoke the Word of God under the power of the Holy Spirit. Acts 5:40-42.

The results of Spirit controlled witnessing are many souls brought to a saving knowledge of Jesus Christ. We read where great numbers were saved in Acts 2:41 and Acts 4:4. A great number of religious leaders were saved in Acts 6:7. Wouldn't it be wonderful if more Christians in the Grayling area were filled with the Holy Spirit so this same blessing would take place in our county?

You may not be a person like Peter, but remember that Peter was led to Jesus Christ by the personal witness of a much quieter brother named Andrew. John 1:40-42. Just as nature does not know of the existence of life which does not reproduce, even so, in the spiritual realm there is no member of the family of God who does not have the ability to reproduce. Just as unsaved men are often led into sex sin through the lust of the flesh, even so, Christians should be led to share the gospel of Jesus Christ and see spiritual children born into the family of God as the work of the Spirit. Capitol Capsules

by Rep. Ralph Ostling
State of the State: Gov-
ernor Milliken told a joint
session of the House and
Senate last week that Mi-
chigan's economy is con-
tinuing to improve, though
legislative action is needed
in several areas. His propo-
sals are now being prepared
in bill form.Coming Up: House lead-
ers have also set their priori-
ties for the coming year,
including legislation to im-
prove job opportunities, to
fight crime, to control state
spending and programs, and
to reform the workers' com-
pensation system.Surprise Package: As we
begin this session, the De-
partment of Management
and Budget has revealed that
we ended the fiscal year last
September with a \$28.3
million budget surplus, due
to good management and a
reduced welfare caseload.Rich Uncle: Nine Michigan
legislators are meeting in
Washington this week with
our Congressional delega-
tion to try to get more federal
spending for Michigan. For
every dollar we pay in federal
taxes, only 65 cents is
returned to the state, while
other states get back almost
\$2.00 per dollar. This puts us
last in terms of federal dol-
lars returned.Tax Reform: House Repu-
blican Leader Dennis O.
Cawthorne will soon intro-
duce a bill to allow school
district voters to set a one
percent personal income tax
and an 0.8 percent business
tax in exchange for a 3-mun
out in their property tax.Local Licensing: Governor
Milliken has set recondi-
fication of Michigan licens-
ing laws as a top priority for
1977. The 35 laws now in
effect are so different and
complex that they prevent
good administration and
limit the public benefits they
were intended to give.

Increase of Size Limit on Bass

The Natural Resources Commission, at its meeting
on August 15, 1975, under authority of Act 230, P.A.
1925, as amended, increased the size limit on
smallmouth and largemouth bass from 10 inches to 12
inches for a period of 5 years beginning January 1, 1976,
on all Michigan waters including the Great Lakes and
connecting waters.

TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Notice of Hearing on Application To Revise Purchased Gas Adjustment Rule 30

On January 12, 1977, Michigan Consolidated Gas
Company, Consolidated, filed an application with the
Michigan Public Service Commission, Commission in
Case No. U-3894, requesting authority to file a revised
Rule 30 Purchased Gas Adjustment Clause (PGA).

NOTICE IS GIVEN that:

A. A public hearing in this matter shall commence at
9:30 a.m. on February 8, 1977, in the Commission's
Office, Mercantile Building, 6345 Mercantile Way,
Lansing, Michigan, for the purpose of determining
whether Consolidated should adopt the standardized
PGA clause as recommended by the Commission Staff
PGA Study, in lieu of Consolidated's present Rule 30.
The Staff, Consolidated, and any intervening parties
may present such relevant evidence as each deems
appropriate.B. Any person claiming an interest may petition for
leave to intervene in accordance with Rule 11 of the
Rules of Practice and Procedure before the Commission.
An original and six copies of a Petition to Intervene shall
be filed with the Commission on or before February 3,
1977, together with proof of service upon Michigan
Consolidated.Subparagraph (c) of said Rule 11 provides as follows:
"(2) A petition to intervene shall set out clearly
and concisely the facts supporting the petitioner's
alleged right or interest, the grounds of the proposed
intervention, and the position of the petitioner in the
proceedings, so as fully and completely to advise
the parties and the commission of the specific
issues of fact or law to be raised or controverted."
(emphasis added)The Commission will require strict compliance with the
above-stated rule.Rule 30, approved by Commission Order dated March
12, 1973, in Case No. U-206, provides that when a rate
or rates applicable to Consolidated's firm contract supply
of gas are increased or decreased by one or more of its
interstate pipeline suppliers, and such change in pipeline
rates results in a change in the weighted average cost
per Cf of Consolidated's firm contract supply, Consoli-
dated's change per Cf or term for gas service rendered
on and after the date of the change in pipeline rates shall
be increased or decreased accordingly.Consolidated's PGA clause, as contained in its Rule
30, differs from the standardized PGA clause recom-
mended by the Commission Staff in its report of May 12,
1976 entitled "Staff Study of Purchased Gas Adjustment
Clauses." Study. For reasons stated in its Study, Staff
recommends that the Commission order Consolidated
and other gas utilities to adopt the standardized PGA
clause which provides for rate adjustments to all cus-
tomer classes on the basis of changes in current annualized
weighted average cost of gas to the utility from all sources
authorized by the Commission to be included in the
clause. The Study further recommends the adoption by
Consolidated and other gas utilities of standardized
filing requirements in a prescribed form designed to
facilitate Commission audit.Consolidated states that its need for a PGA clause
continues, and has become more critical than ever; that
approximately 88% of its gas supply is purchased from
interstate pipeline companies, some of which is imported
from Canada, at prices regulated by the Federal Power
Commission (FPC) and that the balance is acquired from
Michigan sources. Consolidated further states that cost
of gas now represents over 73% of its total operating
expenses; that relatively frequent changes in the rates
of its pipeline suppliers will continue to occur, because
of the current national shortage of natural gas, increasing
costs of gas at the wellhead, the FPC's authorization of
PGA clauses in the pipeline suppliers' tariffs, and Cana-
dian government decisions relating to the price of export
gas; and that the prices which Consolidated pays to
producers of gas in Michigan also change from time to
time in accordance with gas purchase contracts and
orders of the Commission.In its application Consolidated states that in the
main it agrees with the conclusions of the Staff Study
and requests Commission authorization to adopt the
PGA clause recommended in that Study in place of its
present Rule 30 to become effective as soon as practicable
after issuance of the Commission order.Intervention in this matter is pursuant to Act 300,
PA 1909, as amended, MCL 462.2 et seq.; Act 119,
PA 1919, as amended, MCL 460.1 et seq.; Act 3,
PA 1939, as amended, MCL 460.1 et seq.; Act 299,
PA 1969, as amended, MCL 21.201 et seq.; and the
Commission's Rules of Practice and Procedure, 1954 Ad-
ministrative Code, Supplement No. 51, R 106.11 et seq.MICHIGAN CONSOLIDATED GAS COMPANY

Warmwater Fish Regulations

The Natural Resources Commission, at its meeting on August 15, 1975, under authority of Act 230, P.A. 1925, as amended, amended the August 11, 1972, order regarding warmwater fish regulations to read as follows effective January 1, 1976. It shall be unlawful to take the following named species except during the open seasons and daily limits prescribed (statewide regulations apply unless otherwise restricted):

Statewide open seasons on all waters not otherwise closed to fishing shall be from the Saturday preceding Memorial Day through December 31 on largemouth and smallmouth bass; May 15 through February on walleye, sauger, northern pike, and muskellunge (including tiger muskellunge). The daily catch limit shall be 5 singly or in combination for largemouth and smallmouth bass, walleye, sauger, and northern pike; 1 for muskellunge (including tiger muskellunge).

The above regulations apply except that walleye and sauger may be taken at any time from the Detroit and St. Clair rivers, Lake St. Clair, and Lake Erie; and that muskellunge in Lake St. Clair, St. Clair and Detroit rivers may be taken only from the first Saturday in June through December 15 of each year.

Special Winter Olympics Christmas Promotion Winners

CHRIS MYERS, second from left, has been preparing these three persons for the Winter Special Olympics. She is a teacher of trainable mentally retarded.

Spectators at Tip-Up-Town in Houghton Lake, witnessed a preview of what the Winter Special Olympics are all about this weekend.

On Sunday, January 16th, three students of the COOR Intermediate School District Trainable Program were in a cross country ski and snowshoe event.

Cross country skiing and snowshoeing are two events in the first Regional Winter Special Olympics February 23-25. The olympics will be held at Schuss Mountain and Shanty Creek Lodge.

A film about Special Olympics involving handicapped athletes will be shown continually in a booth from 10 a.m. on January 16th on the ice of Houghton Lake. Athletes from the COOR District will demonstrate their skills at various times during

the day starting at 10 a.m.

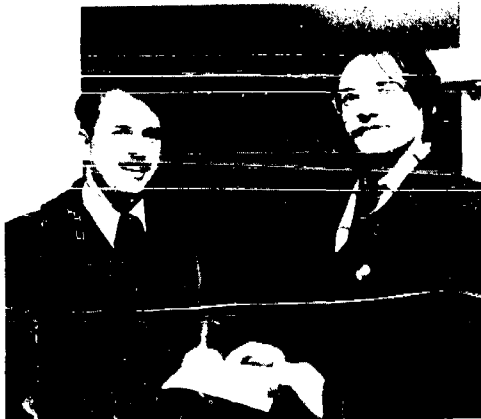

Persons at the winter festival will be able to contribute to help send area handicapped persons to the Olympics, also.

About 750 mentally impaired athletes are expected to participate in the Winter Olympics coming from various mid-west states and Canada. Events will include speed skating, snow sculpturing and Alpine skiing.

The Special Olympics Program began in 1968 co-sponsored by the Kennedy Foundation and the Chicago Park District. Since then, people throughout the country and abroad have learned what the Special Olympics and its oath are about. The oath says: "Let me win, but if I cannot win, let me be brave in the attempt."

FIRST PLACE—Dave Vogler of the Grayling Mercantile presents Bill Johns, quarter-master of the local VFW organization with a check for \$300.00. The VFW won first prize in the downtown merchants Christmas promotion. The local club is considering using the money toward their building fund and/or a donation to a down state VFW War Orphanage.

SECOND PLACE—Douglas Wilson, manager of the Black and White Foodland presented Grayling Elementary Principal Melvin (Pat) Nunn with the 2nd place check of \$200.00 to go toward the school library fund.

THIRD PLACE—Nadine Peterson of Mac's Rexall Drug Store hands Mrs. Stella Bajor a 3rd place check of \$100.00 to go toward the St. Mary's Church Building Fund.

Production Costs Up

All types of wheat cost farmers around \$58 an acre to produce in 1976 — compared with \$56 in 1975, according to the U.S. Department of Agriculture. Cotton production costs, meanwhile, rose about eight per cent in 1976, to \$218 an acre.

Mercy Hospital News

The following are among the patients at Mercy Hospital this week: Glen Cavanaugh, John Jones, Dee Moyer, Raymond Rath and Fred Reichelderfer, all of Grayling; and Juanita Beck of Frederic.

A daughter, Natalie Aileen, was born to Mr. and Mrs. George Compton of Grayling on January 12 weighing 8 lbs. 3 ozs.

Mr. and Mrs. Carl Bunn of Roscommon are the proud parents of a son, David Daniel, on January 14, weighing 8 lbs. 6 1/2 ozs.

John Christopher was born January 16 to Mr. and Mrs. Richard Bonk of Roscommon. He weighed 9 lbs. 9 ozs.

Mr. and Mrs. Steven Hose of Roscommon are happy over the arrival of a daughter, Denise Marie, on January 17. She weighed 5 lbs. 12 1/2 ozs. at birth.

OBITUARIES

Services Held For Mrs. Edith Payne

Mrs. Edith Payne, 77, of Frederic passed away Wednesday, January 12, at McLaren Hospital in Flint. She was born August 11, 1899 in Lapeer County and had been a resident of Frederic for 51 years. She was a teacher and also worked at AuSable Woodworking. She was a member of the First Baptist Church of Frederic, the Frederic Woman's Club and the First Baptist Missionary Society.

Funeral services were held Saturday at two o'clock at the First Baptist Church with Rev. Robert Taylor officiating. Interment was in Oakwood Cemetery, Frederic.

Mrs. Payne is survived by two sons, John W. of Flint and James O. of Bay City; three daughters, Mrs. Wilbur (Edith) Qualman and Mrs. Richard (Ruth) Shawl, both of Flint, and Mrs. William (Gretchen) Welsh of Garden City; twelve grandchildren; five great-grandchildren; a sister, Mrs. Mary Galvani of Grayling; and ten nieces and nephews. Her husband John preceded her in death.

A Visitor From Far Away!

Friday, Mrs. Bovee had a visitor. She's an exchange student from Australia. The Rotary Club made it possible for Joanne Boudy to come. Where she lives is a normal city like ours. It even has Woolworths. In the middle of Australia there are a lot of kangaroos and other animals, some I bet you have never even heard of. Also in the middle of Australia there are aborigines. Aborigines are Australia's native people like our Indians. The aborigines are the people who invented the boomerang. They would throw it at the kangaroos and ring it around their necks. Jo lives in Melbourne by the sea. When they go swimming some times they have to come back out because of sharks. Believe it or not, some times the men have to wear pantyhose because of poisonous octopus. When Jo visited, she brought some slides of Australia and other things. Well, that's about all I can tell about the visitor from Australia.

Students Count Labels

Fourth graders are shown counting Campbell labels which the Grayling Elementary students have been saving. A total of 13,290 labels were counted this week. Students in Mrs. Yost's room collected the most labels. Their count was 1275. The students would like to thank their parents for their cooperation in this project.

YOUR WEEK AHEAD By DAMIS

Forecast Period:
January 23 to January 29

- ARIES**
Mar. 21-Apr. 19
Get started on that project you've been putting off. Stick to it till you get the job done. Accomplishment has its rewards.
- TAURUS**
Apr. 20-May 20
Study and research gives the answers. Pay a visit to someone in confinement. Your good advice is sought.
- GEMINI**
May 21-June 20
Organizational matters are highlighted. Attend meetings and direct your quick thinking where it's needed.
- MOONCHILD**
June 21-July 22
You'll be experiencing opposing views where friends and organizations are concerned. Just don't get overly involved and endanger good friendships.
- LEO**
July 23-Aug. 22
Keep a low profile with associates or superiors. You'll ultimately gain much. Use a fresh new approach in work performance.
- VIRGO**
Aug. 23-Sept. 22
Smooth relations with a would-be benefactor are called for. The financial affairs could be of concern to you.
- LIBRA**
Sept. 23-Oct. 22
Congeniality and romance seem to be in the picture. Social functions centered around the home prove to be very enjoyable and successful.
- SCORPIO**
Oct. 23-Nov. 21
Your solicitude for the welfare of work associates is appreciated. Guard against well intentioned but not so good advice of a friend.
- SAGITTARIUS**
Nov. 22-Dec. 21
You check the weather forecast and ask yourself: "Or is it just your superstitious nature aroused?"
- CAPRICORN**
Dec. 22-Jan. 19
Honesty and sincerity are emphasized. Environmental concerns trouble you. Reconcile family responsibilities with career goals.
- AQUARIUS**
Jan. 20-Feb. 18
Communications may not be as clear as you'd like. There is a tendency to listen but not hear. Be alert.
- PISCES**
Feb. 19-Mar. 20
Impulsive actions lead to disagreements with friends. A cheery mood does much to soothe ruffled feelings.

City Council Proceedings

Regular Meeting of the City Council held Monday, January 10, 1977 at 7:30 p.m.

The meeting was called to order at 7:41 p.m. by Mayor McEvers.

Members present: McEvers, Thompson, Golnick, Johnson, Hanson. Members absent: None. Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Nelson A. Miles, City Attorney and fifty-eight citizens of the city and surrounding areas.

Motion by Thompson, supported by Golnick that the minutes of the meeting of December 13, 1976 be approved as presented. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Communications were noted:

From Upper Great Lakes Region Commission re: Industrial Park project. Motion by McEvers, supported by Johnson that Council approve a \$200.00 commitment to UGLRC industrial promotion project for advertising of the Grayling Industrial Park in the area brochure. Ayes: 5, Nays: 0, motion carried.

From Larry Akers complimenting City DPW workers and clean up on Christmas weekend.

From Jerry Morford to Ms. Jan Cornell supporting Community Development Grant Application for City and County.

To Penny Shepherd re: CETA employees.

From Bill Tarr, area forester, re: Traffic hazards at Michigan Avenue and North Down River Road.

From Avalanche editor re: Volunteer Fire Department.

From Richard G. Beringer re: Alice Foote and recent accident.

No citizens appeared who wished to speak on items not on the agenda.

Old Business:

Discussion was held on the downtown parking meters. Mr. Tom Davis appeared to discuss the parking problem and present the views of the Downtown Merchants Association. He presented a petition signed by the members of the Merchants Association asking for removal of the parking meters. He also presented petitions signed by 500 (more or less) people of Crawford County for removal of these meters. In addition, he stated that he believes that it is the responsibility of the council to create alternative parking arrangements. Mr. Hanson replied that two years ago, after a trial period of covered meters, no report of the effect on business in the area was forthcoming from the Chamber of Commerce director, as had been promised. Mr. Douglas Wilson stated that the merchants were willing to participate on development of alternate parking areas. Mr. Hanson cited the past history of parking problems and that meters were first requested by the downtown merchants to control the problems. Mr. Wilson stated that the merchants would control employee parking in the downtown area. Mr. Hanson asked Mr. Davis if in his opinion that it was the municipal government's legal responsibility to furnish parking for a downtown area. Mr. Davis replied that he had not researched the law in that respect. Mr. Dawson asked if there were any Federal funds available for creating parking lots. Mr. Morford replied that he knew of none at the present time. It was generally agreed that there is a willingness to try to work together in an attempt to find funds. Mr. Morford pointed out that the meters in the Hotel parking lot do not and have never belonged to the City but are a part of the total problem. It was generally agreed that the City administration and the downtown merchants would work together to try to develop a total approach to the downtown parking problem and develop a proposed plan of action to solve the problems as soon as possible and to report back at the January 31, 1977 City Council meeting. Motion by McEvers, supported by Golnick that action on the parking meters be tabled until the last meeting in January. Ayes: 5, Nays: 0, motion carried.

New Business:

Mr. and Mrs. Robert Harper appeared to ask Council why it was decided that a new city patrolman had to be certified before he was hired. Mr. McEvers replied that if a patrolman were hired and then certified at City expense, it would be very costly, approximately \$6,000.00 total cost. Mr. Harper stated that he had offered to arrange for and pay for his own room and board at the school. Mr. Jan Thayer questioned hiring people from outside the City when people living inside the City are unemployed. He stated that it looks like a personal vendetta. A lengthy discussion took place. Mr. Morford and Council members stated that the policy of hiring certified personnel when possible, in order to save tax dollars for training, overtime for schooling and other related expenses, was developed about six months ago during budget discussions on Police Department expenses. This is current policy under which the police chief and city manager are required to operate when hiring new personnel. Questions were also raised by the people in the audience regarding whether the City has a policy regarding hiring of related individuals. The answer was that there is no policy regarding this matter and that, to date, the need for such a policy has not become evident. A question was asked about the CETA funding and how this is handled. Mr. McEvers stated that giving up a CETA position, gave the City no assurance that a new CETA position would be funded. Mr. Swanson asked if Mr. Morford had known Mr. Allen Schreiner, City Treasurer, before he came to Grayling. Mr. Morford replied that he had met Mr. Schreiner when Mr. Morford worked in Rogers City. The question of policy of hiring certified patrolmen instead of paying to have men certified was discussed at length.

Old Business:

Appointment of a replacement for Vivian Carlisle who has moved from the City, on the City Housing Commission, was tabled until the January 31, 1977 regular meeting.

Motion by McEvers, supported by Thompson that City insurance policies be transferred from Sorenson Agency to Grayling Insurance Agency, with the exception of Workmen's Compensation. Ayes: 5, Nays: 0, motion carried.

Mr. Morford reported that he will attend a Chamber of Commerce meeting at the Holiday Inn on January 13, 1977, relative to the Hanson Ski Park.

Motion by Thompson, supported by Golnick that Jay Mitchell Woolley be appointed to the City Zoning Board of Appeals to fill the unexpired term of Mrs. Forbes who has resigned. Ayes: 5, Nays: 0, motion carried.

Mr. Morford presented Change Order #4 for Contract #6 in amount of \$2,837.74 for the City water system improvements. Motion by McEvers, supported by Golnick that Change Order #4 be approved as presented on recommendation of City Manager and engineers. Ayes: 5, Nays: 0, motion carried. Periodic estimate #3 in amount of \$13,357.65, from Guthrie Construction Co. for Contract #6 of the water project, was received. Mr. Morford recommended approval. Motion by Golnick, supported by Hanson, that periodic estimate #3, in amount of \$13,357.65 be approved for payment. Ayes: 5, Nays: 0, motion carried.

Reports of City Manager:

Motion by Golnick, supported by McEvers that the City continue to carry Blue Cross Insurance for Cy Wakeley until June 30, 1977. Ayes: 5, Nays: 0, motion carried.

City-Township sewer study.

Open meetings act.

Taxpayers letters relative to tax.

Reports of Councilmen — None.

Motion by Golnick, supported by Thompson that the meeting be adjourned. Ayes: 5, Nays: 0, motion carried. Meeting adjourned at 10:30 p.m.

Jerry W. Morford, City Manager & Clerk

They say New York is going down the drain! Our rivers and our lakes are polluted, and the cost of living is astronomical with inflation sweeping through the land. Too much apathy... dwindling hope.

All of this makes a miserable picture.

Are we going to let it go at that? Apathy is the nasty word. Apathy about ourselves, about our government, about our future, about our church. Insidious apathy which works like a cancer, destroying.

Are we going to settle for it? Or are we going to start in our own town, our own home, our own church, and do something about it?

Why not listen to those bells next Sunday? They're ringing for you.

Energy Tips

Almost 15 per cent of the energy used in the home is used to heat water. Every time you open the door to the oven, the temperature drops from 25 to 50 degrees. If you have an electric range, cut your time five minutes and let the reserve oven heat continue to cook your food.

Bits O' Talk

by Fay Bovee

Word has been received by Mrs. Carl Doroh that her grandson, Jeffery Barnhart of Death Valley, Cal., was badly injured on New Year's Eve. The car in which Jeff was riding turned a curve too fast and overturned. Jeff had a broken pelvis and was confined to a Las Vegas hospital 160 miles away. He is the son of Glen Barnhart of Lake Odessa and Maxine Barnhart of Lansing.

A letter from Helen Catlin in New Smyrna Beach, Fla., tells us that the red snapper catches have been fabulous. She got a 28# one and won the jackpot in the pool. On another day she reports that she was out on a private cruiser and the group caught 86 red snappers and an unknown amount of sea bass. Good fishing, Helen!

Mr. and Mrs. Ken Kioski (nee Mickey Corlew) and daughter, Carrie Lee, have moved from Ontonagon to Grayling. They are living on Brink St. and he is attending Kirtland's Aviation Maintenance Technology program.

Mr. and Mrs. Terry Bloomquist and Mr. and Mrs. Jim Guedry spent three days in California attending the Rose Bowl game and three more days in Las Vegas before returning home.

Joanne Boundy, Rotary International Exchange student who has spent the past year in Grayling, was to leave today (Thursday) on the first leg of her flight to her home in Melbourne, Australia. The Melvin Nunn family, with whom she has spent the last three months took her to Traverse City for her 4 p.m. flight to San Francisco. She was to leave San Francisco at 9 p.m. on Friday and would arrive in Melbourne on Saturday — some 21 hours later. Joanne arrived in Grayling last January and made her home for the first three months with the John Keir family. She spent three months each with the George Austin family and the Ron Larson family before going to the Nunn's. She left with mixed emotions, happy to be going home but also sad to be leaving her new life and friends here in the United States. If she could have both her family and the United States she thought she might like to live here. It will be a never-to-be forgotten year for her and memories of many friends she left behind.

Lillian Ruach of Davenport College of Business spent the weekend with her parents, Mr. and Mrs. Gene Rauch. Lillian is a freshman at Davenport.

Mrs. Joe Gildner is at home after having undergone surgery. She is getting along very well. Hurry and get well, Matilda, those spring seed catalogs are starting to arrive!

Transit

(Continued from Page 1)

through Saturday, and 8 a.m. to 4 p.m. on Sunday. Rates are as follows: 0-5 miles, .50c; 5-15 miles, .75c; and over 15 miles, \$1.00. Senior citizens, handicapped, and children under 12 ride half price.

Just phone 348-5409 and we will try to have a bus to pick you up as soon as possible. Chris Johnson stated: "Since this is a bus system and not a taxi service, please give us enough notice so that we can give you the type of service you expect. Also please have the correct change, as our drivers do not carry change with them."

We are still asking everyone outside of the City and surrounding subdivisions to please call us the day before you need a ride. Johnson remarked: "This will enable us to route our buses to insure faster pick-up and delivery within the County."

If you have tried our bus system, tell your friends, if you have not, call 348-5409 and "Bus With Us".

School Board Meeting
